

BIO-15 — SOIL SCIENCE AND MANAGEMENT LABORATORY

About This Course

Transfer: UC, CSU

2.00 units

Prerequisite: None.

Description: A supplementary laboratory course to BIO-14 (Soil Science and Management), focusing on the basics of soil science, physical and biogeochemical properties, and interpretation for use and management. This course will give students hands-on perspectives of soil science, ranging from agricultural, wild lands, watershed, and environmental impacts. 108 hours laboratory. (Letter grade only)
