

GEO-1 — PHYSICAL GEOLOGY

About This Course

Transfer: UC, CSU

C-ID: (C-ID:GEOL 100)

3.00 units

Prerequisite: None.

Description: Examines the composition and structure of the earth, and the processes that shape its surface such as earthquakes, volcanoes, running water, glaciers, and plate tectonics. Also examines some of the social consequences of geologic processes, and addresses the study of the geology of other planetary bodies. Has an optional laboratory course (Geology 1L) and optional field courses (Geology 30 and Geology 31). 54 hours lecture. (Letter grade only)
