Enrollment Fees - California Residents

Students shall be classified as California residents for enrollment fee purposes when they have been a legal resident of California one year and one day prior to the term of application. The one year period begins when a student is not only present in California but also has demonstrated clear intent to become a permanent resident of California.

Residency determination is made as of day prior to the first day of the term of application.

The enrollment fee for California residents is set per state legislation.

Active duty military, veterans, and their dependents may also qualify for residency or a non-resident tuition exemption. Please see the Admissions and Records office for more information.

Non-Resident Tuition and Fees

A student who is not considered a California resident for enrollment fee purposes is eligible for admission to a college in the Riverside Community College District. Non-resident students are required to pay a non-resident tuition fee in addition to the resident enrollment fees.

Out-of-country non-residents, who plan to attend college on an F-1 visa, pay a nonrefundable per unit surcharge in addition to the enrollment fee and non-resident fees. International applicants pay an admission application fee and health insurance fee.

AB 540 Non-Resident Fee Waiver

A student who qualifies for the Non-Resident Fee Waiver will be exempt from paying the out-of-state tuition fee and will pay the per unit resident enrollment fee. Effective Spring 2013 students who qualify for AB540 may be eligible for some state financial aid. Please see the Financial Aid section for information on the Dream Application.

Any student other than a non-immigrant within the meaning of paragraph (15) of subsection (a) of Section 1101 of Title 8 of the United States Code, who meets all of the following requirements, and is physically present in California, shall be exempt from paying non-resident tuition at Riverside Community College District, if they sign an affidavit verifying:

1. Total attendance (or attainment of credits earned) in California equivalent to three or more years of full-time attendance at California high schools (established by the State Board of Education), California adult schools (established by a county office of education, a unified or high school district, or the Department of Corrections and

Rehabilitation), campuses of the California Community Colleges, or a combination of these.

OR

Three or more years of full-time California high school coursework, and attendance of a total of three or more years in a combination of California elementary, secondary, and/or high schools.

2. Graduation from a California high school or equivalent (i.e., GED, CHSPE), attainment of an associate degree from a California community college, or fulfillment of the minimum transfer requirements established for the University of California or the California State University for students transferring from a California community college.
3. In the case of a person without lawful immigration status, an affidavit (available from the Admissions office) stating that the student has filed an application to legalize their immigration status, or will file an application as soon as they are eligible to do so. Student information obtained in the implementation of this section is confidential.

In addition, the student must be physically present in California to be eligible for AB540. A student who meets the qualifications for the AB 540 Non-Resident Fee Waiver is exempt from paying out-of-state tuition and will pay the per unit resident enrollment fees. Eligibility for AB 540 does not change a student's non-resident status.

Rather they are exempt from non-resident tuition fees under this law. These students will not qualify for the California College Promise Grant (formally the BOG Fee Waiver) and any other state financial aid until they establish

California residency. As citizens, SB 141 students may apply and qualify for federal financial assistance such as Pell, FSEOG and federal student loans.

This exemption is granted for one year from the date the student settled in California upon entering the United States. Please see the Admissions and Records office for more information.

Health Fee

Every student, including those who qualify for a California College Promise Grant (formally the BOG Fee Waiver), is required to pay a health services fee per Title 5 state regulations. Books, Equipment and Supplies

The cost of books and equipment depends upon the courses elected and the amount of work undertaken. The RCC bookstore has many choices for students to purchase their books such as a rental program, many digital options, and used and new textbooks.

In some courses, students will be expected to provide consumable items. In such classes, students will be informed of these items at the first meeting and will be expected to purchase them in order to continue in these classes. Whenever possible, the RCC bookstore will attempt to stock the required items.

Payment Method

The RCCD bookstores will gladly accept MasterCard, Visa, American Express and ATM debit cards (with VISA or MasterCard logos) and Follett's gift cards. If you are using your parent's credit card, you MUST have a written authorization letter from them with a signature on both the letter and the card. Checks are not accepted.

Full refunds are given on textbooks during the first week of school only with a store receipt. If you drop a class, you have 30 days from the start of school to return for a full refund as long as you have a store receipt and the book is in the same condition that you purchased it in. All returns/exchanges require an original receipt. The bookstore will buy back textbooks every day from students. The best time to sell back your textbooks is during finals week. Bring your student identification and the books and we can let you know the value.

Other Charges

An appropriate charge will be made for breakage of district supplied materials in laboratory courses.

Enrollment Verification

Students may request an Enrollment Verification form from Admissions and Records to verify course enrollment (hours and unit value), fees, grade point average, and student enrollment status in any given term. The first two enrollment verification forms are free of charge and each request thereafter is \$2. Refer to *Units for Full-time/Part-time Status* for details.
