- MATH & ENGLISH ENROLLMENT AT RCC
- GUIDED PATHWAYS
- RCC'S APPLICATION AND REGISTRATION
- ACADEMIC PERSISTENCE
- EXPERIENCES AT RCC'S CAMPUS
- STUDENT ATTENDANCE
- END OF SEMESTER CHECK

Lessons Learned

- The beginning of the week is ideal to survey students
- Students prefer to answer multiple choice questions rather than open ended questions
- Students feel like there should be more resources available/advertised on campus
- New students find it difficult to navigate the application process
- Air dropping the survey only works to certain extent, many students turn off their air drop
- You must get used to rejection because sometimes people just don't want to be bothered.
